Food Pantry/Shelter Tax Credits: Department of Revenue

ELIGIBLE FOOD PANTRIES, SHELTERS AND APPLICANTS

- A food pantry is defined as an organization that is exempt from taxation under Section 501(c)(3) of the Internal Revenue Code of 1986, as amended; and distributes emergency food supplies to low-income people in the area the taxpayer claiming the tax credit resides.
- A local homeless shelter is defined as an organization that is exempt from taxation under Section 501(c)(3) of the Internal Revenue Code of 1986, as amended, and provides temporary living arrangements for individuals and families who otherwise lack fixed, regular, and adequate nighttime residence, and lack resources to support networks to obtain other permanent housing, in the area in the taxpayer claiming the tax credit resides.
- Any taxpayer (individual, corporation, or trust) that makes a donation of cash or food supplies to a food pantry may receive a credit of up to \$2,500 per taxpayer per year. The taxpayer may take a credit of 50 percent of their donations.

ELIGIBLE USE OF TAX CREDIT

The amount of the credit claimed may not exceed the amount of the claimant's tax liability. If the credit exceeds the claimant's tax liability, the excess amount may be carried forward three subsequent years.

If the claimant reports donations used to calculate the Food Pantry Tax Credit as a charitable contribution on their federal Schedule A, the donation amount must be reported as a modification (addition) on Missouri Individual Income Tax Adjustments Form MO-A.

DUE DATE AND FUNDING LIMITS

Returns claiming the Food Pantry Tax Credit must be filed by April 15

The total amount available for the Food Pantry Tax Credit is \$1,750,000 in any one fiscal year. A fiscal year begins on July 1 and ends on June 30.

All claims will be held until after April 15 to determine if the total claimed exceeds \$1,750,000. If claims exceed \$1,750,000, the Department will apportion credits in an equal ratio among all valid returns filed.

If the Food Pantry Tax Credit is reduced because of apportionment, an amended return may be filed on or after July 1 to be considered for the following fiscal year.
