

## RESTORATION PROGRAM SUMMARY (2023)

**Restoration** is a 12-18 month residential discipleship program designed to transform lives through a holistic approach of developing the spiritual, personal, relational, vocational, financial, and areas of life.

### In PHASE 1 the Participant...

- Resides at a Victory Mission (VM) on-campus group home
- Completes 30 days of "Soul Detox", a probationary period
- Volunteers for VM 15-20 hrs per week & performs scheduled chores
- Attends 16+ weeks of classes & attends 5+ devotions per week
- Meets with a VM Mentor & Professional Counselor (LPC) weekly
- Reports all income & money received
- Attends worship weekly & chooses a "Home Church" by end of Phase 1
- Explores short and long-term goals in all five holistic areas of restoration
- Is evaluated at 16 weeks for transition to Phase 2

### In PHASE 2 the Participant...

- Continues residing in a VM on-campus group home
- Works full time & pays 20% program fee & saves at least 30%
- Attends 6+ devotions per week & performs scheduled chores
- Invests in 'Home Church' by attending worship, a small group, serving, and giving financially
- Meets with a mentor from 'Home Church' and LPC weekly
- Continues working toward goals in all five holistic areas of restoration
- Is evaluated at 7 months for transition to Phase 3

### In PHASE 3 the Participant...

- Resides in a VM approved home
- Financial policy changes to Residential Agreement, program fees model traditional rent
- Continues working full-time & saves a minimum of 10%
- Continues involvement in 'Home Church' as in Phase 2
- Continues to meet with with 'Home Church' mentor & LPC regularly
- Invests in Phase 1 & 2 participants by mentoring and attending devotions, as assigned
